No. D 3/23-4

Office of the Revenue Commissioner
in Mysore,
Bangalore. 3rd January 1923.

From

K. Chandy, Esquire, B.A.,

Revenue Commissioner in Mysore.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, Bangalore.

Sir,

In forwarding herewith the Kolar Deputy Commissioner's letter No. D. 9 dated the 2nd January 1924 and its enclosures in original, (to be kindly returned) I have the honour to request that I may be permitted to meet the excess charges for Tank Mainteamce, -- feeder channels, and restoration work up to a limit of Rs. 25,000/- ~~Rxxxxtjxx~~ from the one lakh sanctioned in Government Order No. R. 2276-87/R.M. 11-23-71 dated the 22nd November 1923.

The Deputy Commissioner's figures regarding net liability of Government do not appear to be accurate e.g., for Malur feeder channel, the total cost of which is Rs. 3,500/- although the Municipality has promised half the cost and the contribution payable is Rs. 686/-, the net liability is nevertheless shown as Rs. 3,500/- Similarly the entry 'Contributions promised' in the Deputy Commissioner's hand-writing is incomplete, the figure having been left out.

I shall obtain accurate figures and submit them to Government but as conditions are getting worse, the Deputy Commissioner may, as requested by him, be kindly asked by wire to start the urgent works at once that are included in the statement submitted by him.

On account of urgency reference is made straight to D/Sec

I have the honour to be,
Sir,
Your most obedient servant,

K. Chandy

Revenue Commissioner.

Letter No.D.9/23-24 dated 2-1-24 from the Deputy Commissioner, Kolar District to the Revenue Commissioner in Mysore, Bangalore.

---

1. I have the honour to forward herewith for sanction a consolidated list with full information of tank maintenance Feeder Channel and tank restoration works proposed to be started in the month of January 1924 in the marginally noted talukas and to request that the preliminary sanction of Government may kindly be obtained at once and communicated by telegram.

Bowringpet
Chickaballapura
Malur
Mulbagal
Kolar
Chintamani
Sidlaghatta
Gowribidanur

2. It will be seen from the list that in the large majority ofcases the maintenance estimates are covered by one year's assessment and that the net liability of Government under this head amounts only to Rs.5622-14-0 The estimates are approximate.

The liability under "Feeder Channels and restoration works amounts to Rs.5521/- and Rs.20,580/- respectively. In several cases contributions will be forthcoming.

3. These works will be started only when the need is keenly felt. Some of them will probably be started only in February

4. Lists from the remaining taluks have not yet been received and they will be sent soon after they are received

---
